

WELCOME AND KEYNOTE ADDRESS BY OBA A.A. OGUNTAYO,
AJALORUN OF IJEBU-IFE.

LIVE ABUNDANT, EMPOWERMENT INITIATIVE SYMPOSIUM

ON THE 1ST MARCH, 2018.

The subject / theme of this symposium are as follows:

- (a) HUMAN RIGHTS / PERSONAL PRIVILEGES
- (b) To create **AWARENESS** of INTERNATIONAL and NATIONAL POLICIES (NIGERIA IN PARTICULAR) IN PLACE FOR UNBIASED, INFORMED, AND PROGRESSED SOCIETY FOR **WOMEN AND CHILDREN**

If I am right, this is the **SECOND SYMPOSIUM** since this laudable and Charitable FOUNDATION was launched in 2016.

I was present in this arena last year and had the same singular privilege to give the audience a welcome and keynote address.

I Thank the ALMIGHTY GOD, our CREATOR and WHO endow us with the SPIRIT which is our SOUL as human being and not otherwise.

I specially thank God for the life of my daughter, DOCTOR AMA ONYERINMA, the human creator of LIVE ABUNDANTLY! and founder of LIVE ABUNDANTLY EMPOWERMENT, INITIATIVE to which mission, she is so personally concerned and dedicated to propagate, and encourage people especially Nigerians to live better lives, spiritually, emotionally, mentally, physically and financially. I appreciate and recognize members of the Board of Trustees and numerous Benefactors of the Foundation for their commitments and sacrifices.

I welcome all our distinguished invitees and especially the guest speakers which include His Excellency, Mr. Akinwunmi Ambode the Governor of Lagos State, the Commissioner of Police Lagos State, my good son and legal luminary 'Kemi Pinheiro SAN, and Others.

I am a lover of women and children, and for their course, I publicly dedicated my life when I ascended the throne as Oba Ajalorun of Ijebu-Ife in 1996.

I am therefore appealing that we should all support this noble goal of this non-profit making venture whose primary vision and mission are to uphold the Civil Liberties of women and children regardless of their socio-economic standing.

Thank you for listening.
